# Our Purpose

The purpose of this night is to give a small group of area student-athletes an avenue to network and showcase their skills.

We give the “less flashy” names their due time to shine and each have the work ethic and intangibles to succeed at the next level. We are just here to provide the resources for them to achieve those goals.

This program is cost free and invite only - not a money maker. So, you can assure that those in attendance are there with the same purpose and will not disappoint. A full 40-player breakdown including hudl links, season accolades, coaching contacts and measurables have be provided here.

## College Night 2024 | Showcase Roster

College night puts a group of fine young men and playmakers on center stage in front of attending coaches and peers. It provides an opportunity for growing the game of football in the region, along with creating relationships among players, coaches and universities.

We will see you there.

**Vince Agnew (616) 723-4147**

**| Drew Weigl (989) 284-8565**
